SWAP- TRADING

„Der **Tauschhandel** ist eine Form des Handel, bei der Waren direkt gegen andere Waren getauscht werden ohne die Verwendung einer Währung.“

Dieser Handel kann sowohl übers Internet, als auch bei sogenannten Swap-Meetings stattfinden.

CLOTHING-SWAP

Die Philosophie

‘Clothing Swap has spearheaded green glamour by gathering fashionable swappers together in a fun environment, where they relax, mingle, get pampered and then SWA(exchange) clothing, shoes and accessories and thus, happily, augment their wardrobes in a „Girl’s Night Out“ atmosphere.’

CLOTHING-SWAP

nothing to wear

Swap 'til you Drop

bring a bag of clothes you no longer love
swap them for items you'll adore forever
remaining items will be donated
